Warranty Summary

Modular

1. FLAT 10 YEAR WARRANTY: All Customer's woodwork is covered under The Designverse Flat 10 Years Warranty. This safeguards you against any defect in manufacturing of woodwork items or in installation workmanship.
2. All accessories, hardware, appliances etc. procured from OEMs are covered as per the respective Manufacturer's Warranty Policy.
3. The Designverse also provides Service Warranty on certain offerings, as outlined hereunder.
4. A detailed description of our Warranty Policy is also mentioned in the The Designverse Works Contract and FAQ section at www.TheDesignverse.com/care for the Customer's reference. Customers can refer to the Works Contract at the time of making the 50% Installment payment of the quote value.

Warranty Details:

The Designverse provides warranty on the Products and Services, as per the following categories:

a. Covered Products – The Designverse's Product Warranty

In case of any manufacturing defect in any of the following Products, and the same being in the warranty period, The Designverse shall repair

or replace, at its discretion, the said Products

Product	Warranty Period	Remarks	Exceptions
Cabinet, Carcass	10 Years	Covers all core material: BWP Plywood,Covers against delamination and edgeband peeling	*A comprehensive list of Exceptions are covered below under the heading "Limitations to Warranty"
Shutter	10 Years	Covers all core material: BWP Plywood, Covers against delamination and edgeband peeling	*A comprehensive list of Exceptions are covered below under the heading "Limitations to Warranty"

On-Site Services Warranty

Brands	Warranty Period (upto 1 year)	Warranty Coverage	Repair Cost Bifurcation
Painting, Gypsum False Ceiling, Electrical, Plumbing & Carpentry	0–12 Months	Protects painting, gypsum false ceiling, electrical, plumbing, and carpentry work against defects	100% Borne by The Designverse

Limitations to Warranty

1. Wear and tear suffered through normal use (including scratches, dents and cuts) or damage caused by impacts or accidents or mishandling.
2. Does NOT cover damage caused by misuse, negligence, normal wear and tear.
3. Only bends that are >3mm will be attended by The Designverse.
4. Water leakage and seepage within the building structure and continuous dampness of the surface beyond (i) 72 hours for BWP grade plywood (IS710)
5. Degradation, discolouration, damage, fading, etc. in colour, grain, or texture of natural wood materials, laminates and other materials due to exposure to intensive or excessive light, sunlight, moisture or heat or other environmental factors.
6. Use of inappropriate chemicals, detergents, abrasives or other inappropriate cleaning agents that can damage the wooden surface of the products or rust the accessories.
7. Mistreatment, negligent use, misuse, insufficient or improper care (including but not limited to exposure to harsh weather conditions).
8. Alterations, modifications or use of products which are beyond or inconsistent with the supplied product instructions by The Designverse and/ the usage of products which have not been authorised by The Designverse.
9. Destroyed, damaged or becomes unusable due to any Force Majeure event. (A Force Majeure event refers to the acts of God including; such as flooding, hurricane, earthquake, lightning, any natural calamities etc., environmental condition such as air pollution, solvent exposure, mold, mildew etc., or staining from foreign substances such as dirt, grease, oils, sprays etc. fire, acts of war, acts of terrorism, pandemic, lockdown, acts of Government or any other event which is beyond the control of The Designverse)
10. Improper maintenance of the Covered Products the same not being utilised for the intended purpose;
11. In case of a resale of the Covered Products (either as part of the sale of Customer's property or otherwise);
12. the Covered Products have been subject to re-installation, repair or alteration by any person not authorised by The Designverse;
13. Rusting of channels, hinges and other metallic parts, as these could be damaged due to household chemicals and sprays or exposure to moisture/dampness;
14. In case of defects caused by pests and pets including but not limited to termites, ants, wood borers, rats, dogs and cats;

Procedure to claim Warranty

1. For claiming warranty against any of the Covered Products which is valid under the warranty terms, Customer shall raise a ticket on the Website or call on The Designverse's toll free number, identifying the Covered Product and the defect observed, including photographs and/or other proofs of the same.
2. Once The Designverse receives a Customer's written notice, The Designverse shall send their authorised representative to the Customer's Site for inspection and assessing the same to confirm whether the claim is covered under Warranty.
3. If it is covered under warranty as per The Designverse representative's information, The Designverse shall either arrange for repair or replace the defective Product.
4. In case of replacement: The Designverse shall provide a similar Product that is as close as possible in dimension, function and colour to the defective product. The Designverse does not guarantee that the replacement product will be exactly the same as the Covered defective Product. A replacement Product will not be covered by any further warranties. i.e. no fresh warranty shall be applicable on a replaced product, which shall be covered under the original warranty term.
